

Raid Report – July 2025

Despite the predicted heat index of 100+ and the high chance of rain, 25 Raiders came out to Shoot GTR yesterday to enjoy Marshal J.W. Stone's stage writing debut. The heat got nowhere near the predictions and the rain held off for us to enjoy six fun and fast stages. We kept the heat tolerable with all our shade structures, fans, and plenty of cold water. Santa Fe River Stan said after the match that this was the best weather for a July in Gainesville he can remember. And I agree with him.

We welcomed two new shooters yesterday, Jess Killinit, and Tommy Two Guns. Big thanks to Amaduelist for taking them both under his wing and helping them through the match. They both seemed to enjoy themselves and we sure would like to see them back next month.

Elle Star and her dad Dee Plaines joined us again. Her consistent improvement and passion for the game is a wonderful thing to behold. We hope they make Raiders one of their regular monthly matches.

Huge thank you to Delta Glen and Deadly Sharpshooter for their help with set up in the rain on Friday. An extra special thanks to Toothpick for filling in for Chickie while she is away and taking care of registration for us. Thank you to Bucky Buckskin for his help as Posse 2 Marshal. And thank you to everyone that helped break down the match and load everything onto the U.S.S. Alachua! I know the heat was intense, and I really appreciate all your hard work.

We had eight clean shooters yesterday, Annabelle Bransford, Big Country, Dang It Dan, Delta Glen, Kid Romeo, Lead Paint, Santa Fe River Stan, & Wabash Valley Slim. Dagnabbits to Jess Killinit, El Q Jones, Amaduelist, Shiloh Red, The Outlaw Travis James, & Bucky Buckskin.

Congratulations to our July Top Gun, Bucky Buckskin. And our Top Lady this month was Annabelle Bransford.
