

## **Raid Report – August 2025**

Twenty-nine Raiders took advantage of the August “cold front” (as it was being called on local radio) and boarded the U.S.S. Alachua and voyaged to Treasure Island, all while flying the Jolly Roger. We had about as many pirate-themed props as you could cram into a six-stage monthly. The fans and shade helped us all enjoy the day out at Shoot GTR this past Saturday.

Huge thank you to Delta Glen, Deadly Sharpshooter, Marshal J.W. Stone, Rooster Ray, and Toothpick for their help with setup on Friday. And thank you to everyone who helped break down the match and load everything onto the U.S.S. Alachua! I know it was hot by then, and I appreciate all your hard work.

We welcomed back Deadly Don and Cowboy Jon after a very long time away from the Raiders. Midwest Hale and Arcadia Outlaw were back after their summer tour of the regional CAS matches. We had two very dedicated cowboys join us from North Carolina: Coyote James and Tin Can Sailor. And Doc Monday was unsupervised and soiled his pirate oats. Shhhh, don't tell Lil.

There were four clean-shooting Raiders yesterday: Christian Mortician, Dang It Dan, Delta Glen, and Kid Romeo. Dagnabbits to Annabelle Bransford, Big Country, Shiloh Red, Wabash Valley Slim, The Outlaw Travis James, Midwest Hale, and Bucky Buckskin.

Congratulations to our July Top Gun, Christian Mortician. And our Top Lady this month was Midwest Hale.
