

# Roughshod Raiders – November Raid Report – November 1, 2025

November's Monthly Raid came and went quick, with Marshal J.W. Stone's six stages keepin' the posse honest and the steel singin' bright. The morning started out on the airish side, but with lots of sun to keep us warm and perfect Florida fall weather for a cowboy match.

## Thanks to the Posse

Big thanks to everyone who squared away their waivers ahead of time so we could get right to shootin'. Extra tip of the hat to the set-up crew: **Marshal J.W. Stone** and **Deadly Sharpshooter**. Their work made sure the town was ready for Saturday's showdown.

## Breaking Down the Town

Thank ya kindly to everyone who stuck around to tear down once the smoke cleared. The sun was high but the work went fast thanks to plenty of helping hands.

## **Final Word**

Another fine raid in the ledger — quick lead, loud laughs, and plenty of stories traded over cooling barrels. Saddle up for our next monthly when we'll **celebrate Christmas with the Raiders** at Shoot GTR, closin' out the year the only way we know how — with good friends and ringin' steel.

Much obliged,
