

Roughshod Raiders - March Raid Report - Saturday, March 7, 2026

Well folks, the dust has settled from the March Monthly Raid, and The OTJ's "Ides of March" stages gave the posse six stout tests from first shot to last. The weather was mighty nice to begin with, then it turned hot, but there was plenty of shade to hide from the sun and keep folks comfortable between trips to the line.

From Julius Caesar to Wild Bill Hickok, Jesse James, and Morgan Earp, this month's theme kept everybody lookin' over their shoulder. It made for a fun day, a sharp mental workout, and a mighty fine tune up for bigger battles just ahead.

First Time Raiders

A big Roughshod welcome to our first-time Raiders:

- Blackjack Belle (NY) & Potato Creek Johnny (NY) both soon to be full-time Florida Residents

Welcome Back, We've Missed Ya

And a mighty fine welcome back after a long spell away:

- Riverview Rattler (MI)
- Wiggley (FL)
- One Eyed Wrangler (FL)
- Kansas Pete (FL)

🙌 Thanks to the Posse

Big thanks to everyone who squared away their waivers ahead of time so we could get right to shootin'. Extra appreciation goes to the setup crew, Marshal J.W. Stone and Deadly Sharpshooter, for gettin' the town ready for Saturday's raid.

A special thank you as well to our Posse Marshals, Marshal J.W. Stone and Realtree, to Chickie Winsome for handlin' registration, posse assignments, and waivers, and to Midwest Hale for readin' stage instructions for Posse 2. We also sure do appreciate all who worked the posses all day long, TOs, spotters, ULT officers, steel setters, brass pickers, and score keepers. It takes a whole town to make a good match run smooth, and this one surely did.

Breaking Down the Town

Thank ya kindly to Marshal J.W. Stone and his crew for breakin' down the town once the smoke cleared. By then the sun was workin' hard, but the teardown went fast thanks to plenty of helping hands and folks pitchin' in.

Final Word

Another fine Roughshod Raiders raid is in the books, and this one had just about everything you could ask for, good weather to start, strong shootin', close finishes, plenty of laughs, and a posse full of folks ready to help wherever needed. Matches like this remind us why we keep comin' back to Shoot GTR month after month.

Now all eyes turn toward **The Last Stand**, Florida State Championship, comin' up in less than two weeks. That big ride is almost here, and you can feel the excitement buildin'. If this month's match was any sign, folks are gettin' tuned up and ready for a mighty fine championship weekend.

Be on the lookout for **The Last Stand** updates, because they'll be comin' fast now. There is a lot to look forward to, and it is nearly time to gather the posse, load the wagons, and get ready for one of the biggest shoots of the season. The countdown is on, and The Last Stand will be here before you know it.

And Remember: *Action is our Middle Name!*

Much obliged,
