

Roughshod Raiders - April Raid Report - April 4, 2026

Well folks, the dust has settled on our April Monthly Raid, and what a fine day it was to come out and ring steel at Shoot GTR.

The mornin' started out cool and pleasant, then warmed into a bright Florida afternoon, just right for six stages. From *Yippie Ki Yay* clear through *They All Count*, this one had fast sweeps, just enough movement, and we even had to carry a hot potato. It was a fun day for all the Raiders who joined us.

Thanks to the Posse

Big thanks to everyone who squared away their waivers ahead of time so we could get right to shootin'. Extra appreciation goes to the setup crew, Marshal J.W. Stone and Delta Glen, for gettin' the town ready for Saturday's raid.

A special thank you as well to Chickie Winsome for handlin' registration, posse assignments, and waivers.

We also sure do appreciate all who worked the posses all day long, TOs, spotters, ULT officers, steel setters, brass pickers, and score keepers. It takes a whole town to make a good match run smooth, and this one surely did.

Breaking Down the Town

Thank ya kindly to Marshal J.W. Stone and his crew for breakin' down the town once the smoke cleared. By then the sun was workin' hard, but the teardown went fast thanks to plenty of helping hands and folks pitchin' in.

Final Word

Another fine raid is in the ledger. Fast times, close races, and eleven clean shooters gave us plenty to smile about and plenty to jaw over before the day was done.

Saddle up for our next monthly match at Shoot GTR on Saturday, May 2, 2026. We will do it all again the Raiders way.

And Remember: *Action is our Middle Name!*

Much obliged,
